Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Tuesday 28 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Showers, followed by heavy rain arriving from the west.

Today:
Generally cloudy with showers, sometimes heavy this afternoon, before a band of heavy rain arrives across western areas through the afternoon. Becoming breezy inland, windy along the south coast. Maximum temperature 18 deg C (64 deg F).

Tonight:
Heavy rain moving eastwards this evening with most parts becoming dry by the early hours. Clear spells developing as the wind eases inland. Minimum temperature 7 deg C (45 deg F).

Wednesday:
A bright start to the day, however cloud and isolated showers will develop during the morning, though there will still be lengthy sunny spells, especially later. Maximum temperature 15 deg C (59 deg F).

Outlook for Thursday to Saturday:
A very unsettled spell of weather with showers or longer spells of rain, these sometimes heavy or thundery. Temperatures slightly below average. Windy, with coastal gales at times.
